## June 2014

### News

**Thanks** must go to John Coxhill, Tony Bristow and Mike Murphy for being the stalwart maintenance team. They meet on a Saturday morning, tidy, clean the slip way to keep access for sailing in tip top condition. More help is needed in order to keep the slip clear. Can you spare an hour or two on a Saturday morning? Fancy a free workout? Please consider coming and helping the chaps – its fun, time flies and it's a great way to meet different members to the sailing club. Check your diary and please do pop along.....

#### BBQ

Sunday 22 June

Our Gas BBQ will be available  
Bring your own food to cook and enjoy  
the views of the river after sailing....

#### Saturday 21 June

The Ladies, Handicap, Novice and new Junior trophy will take place – everyone is welcome – come along and test your sailing skills.....

#### Dinghy Park – a couple of things....

With the warmer weather upon us (and hopefully will be here for a little while) it is a good time to ask members to ensure that their space is kept clear. If you use old tyres to support your boat please make sure that they are kept empty of water (drill holes in them) to avoid mosquitos using them as a breeding ground. This goes for covers too which often hold water please ensure that water is drained out.... many thanks
