Risk Assessments for the club

Main compound paddlock

The lock on the main compound has been causing problems lately and we have decided to replace it. Each member who has a boat in the main compound and wishes to exchange their key should please see Bob. To help cover the cost there will be a £2 charge per key.

Saturday, 26 July

Hot dogs will be available after the evening sail at £1 each. Hopefully the weather will hold so bring along your favourite tipples too and we can enjoy the view of the high tide along with some great company.
